ECD 101 - Introduction to Early Childhood
Early Childhood Development
Business and Public Service

Semester Year

Catalog Course Description: This course includes an overview of growth and development, developmentally-appropriate curriculum, positive guidance techniques, regulations, health, safety, and nutrition standards in early care and education. The importance of professionalism, family/cultural values and practical applications based on historical and theoretical models in early care and education are highlighted in the course.

Prerequisite(s): None
Credit Hours: 3.0
Class Schedule:

Instructor: 
Office: 
Office Hours: 
Telephone: 
E-mail: 
Campus Mailbox: 
Program Website: www.midlandstech.edu/ecd

Program Director: Sandra Hackley, (803) 822-3592, hackleys@midlandstech.edu
Program Assistant: Donya Albert, (803) 822-3358, albertd@midlandstech.edu
Departmental Assistant: Kimberly Bauer, (803) 822-3320, bauerk@midlandstech.edu
Interim Department Chair: Sandra Hackley, (803) 822-3592, hackleys@midlandstech.edu

Textbook(s)/materials: ECD 101 Notebook with handouts (Required) and a Journal of your choice for assigned reflections.

Course Purpose: The purpose of this course is to serve as an introduction to the many components of the early childhood profession and the development of the early care and education teacher.

Course Objectives: Upon completion of this course, the student will demonstrate:
1. knowledge to coordinate space, time, and materials to plan developmentally appropriate experiences that encourage children’s play, exploration, and learning. (NAEYC Standards 1a, 1c)
2. an understanding of the principles of child growth and development to serve as a foundation for working effectively with young children. (NAEYC Standards 1a)
3. knowledge to provide a safe environment for young children and promote the development of safe practices. (NAEYC Standards 1c)
4. knowledge to provide a healthy environment and promote the development of good health habits. (NAEYC Standards 1c)
5. knowledge of policies and practices needed to meet the nutritional needs of young children. (NAEYC Standards 1a, 1c)
6. knowledge of strategies and techniques for providing a supportive environment in which children can develop self-control and interact positively with others. (NAEYC Standards 1c)
7. knowledge about strategies for establishing and maintaining positive and productive relationships with families. (NAEYC Standard 2a)
8. knowledge about the identification of possible special needs and making program adaptations to provide an appropriate program for all children. (NAEYC Standards 1b, 3d)
9. knowledge to advocate for quality care in early childhood programs and take advantage of opportunities to improve competence, both for personal and professional growth and for the benefit of families and children. (NAEYC Standards 6a, 6c, 6e)
10. knowledge of ways to utilize community resources to assist children with diverse abilities, their families, and early care and education professionals. (NAEYC Standards 1b, 2a, 2b, 2c )
11. an awareness of the importance of and techniques for reflecting diversity in programs for young children. (NAEYC Standards 1b, 2a, 4a, 4b)

12. knowledge of national, state and local standards, policies, regulations, and laws that are applicable to early care and education programs. (NAEYC Standards 1c, 6b)

Course Outcomes and Competencies:

**Intended Course Outcome #4:** Students will be able to identify and design developmentally effective approaches.

**Course Competency 4b:** Students will be able to identify effective strategies and tools for early education, including appropriate uses of technology.

**Performance Measurement Instrument and Success criteria:** Students will successfully complete a lesson plan form within Module 13, using handouts 11 a-e.

### NAEYC Standards

1. **Promoting Child Development and Learning**
   - 1a: Knowing and understanding young children’s characteristics and needs
   - 1b: Knowing and understanding the multiple influences on development and learning
   - 1c: Using developmental knowledge to create healthy, respectful, supportive, and challenging learning environments

2. **Building Family and Community Relationships**
   - 2a: Knowing about and understanding diverse family and community characteristics
   - 2b: Supporting and engaging families and communities through respectful, reciprocal relationships
   - 2c: Involving families and communities in their children’s development and learning

3. **Observing, Documenting, and Assessing to Support Young Children and Families**
   - 3a: Understanding the goals, benefits, and uses of assessment
   - 3b: Knowing about assessment partnerships with families and with professional colleagues
   - 3c: Knowing about and using observation, documentation, and other appropriate assessment tools and approaches
   - 3d: Understanding and practicing responsible assessment to promote positive outcomes for each child

4. **Using Developmentally Effective Approaches to Connect with Children and Families**
   - 4a: Understanding positive relationships and supportive interactions as the foundation of their work with children
   - 4b: Knowing and understanding effective strategies and tools for early education
   - 4c: Using a broad repertoire of developmentally appropriate teaching/learning approaches
   - 4d: Reflecting on their own practice to promote positive outcomes for each child

5. **Using Content Knowledge to Build Meaningful Curriculum**
   - 5a: Understanding content knowledge and resources in academic disciplines
   - 5b: Knowing and using the central concepts, inquiry tools, and structures of content areas or academic disciplines
   - 5c: Using their own knowledge, appropriate early learning standards, and other resources to design, implement, and evaluate meaningful, challenging curricula for each child.

6. **Becoming a Professional**
   - 6a: Identifying and involving oneself with the early childhood field
   - 6b: Knowing about and upholding ethical standards and other professional guidelines
   - 6c: Engaging in continuous, collaborative learning to inform practice
   - 6d: Integrating knowledgeable, reflective, and critical perspectives on early education
   - 6e: Engaging in informed advocacy for children and the profession

### Course Requirements:

**Class Participation:** 150 potential points (15% of final grade)

Students are expected to actively participate in class discussions and presentations. We are in a field where it is important that we share our personal experiences so that we can learn from each other. Whether you have worked with young children, raised children, had younger brothers and sisters, or been around the neighborhood children, you will have experiences to share!!!

**Module Activities:** 450 potential points (45% of final grade)

Each module has specific activities that reflect the information discussed. Students will be expected to complete each assignment using the format specified.

**Module Tests:** 400 potential points (40% of final grade)
Course Grading:
Specific Assignments: Grading
All assignments will be graded for accuracy. SLOPPY OR CARELESS WORK WILL NOT BE ACCEPTED! All work is expected to be turned in on time, however we understand life events sometimes arise; so if work is not submitted on time we will accept it no more than one week after the due date and you will receive up to 30% off your total score.

Class Participation/Per Module (15 @ 10)  150
Module Activities  450
Module Tests (4 @ 100)  400
Total =1000

Early Childhood Grading Scale:
A = 93-100  930-1,000 points
B = 85-92  850-929 points
C = 75-84  750-849 points
D = 70-74  700-749 points
F = Below 70  Below 700 points
W = Withdrawal before midterm
WF = Withdrawal after midterm with a failing grade on the last day attended

Note: Please keep all assignments for your final portfolio for ECD 243.

Rubric – ECD 101 – Activities
Purpose/Goal: Student will complete assigned activities. Total possible score: 30 pts
Work received after the beginning of class on the due date will receive 30% off the total score (-9 pts).
Work will not be accepted after one week.

MTC Student Handbook:

Students are expected to read the MTC Student Handbook and abide by its policies. You can find the handbook online at http://www.midlandstech.edu/handbook/; copies are also available at various locations on campus. Some of the more important handbook policies that impact your academic success are listed below.

Academic Integrity:

- The students of MTC have adopted the following Honor Code: As a member of the Midlands Technical College community, I will adhere to the college’s Student Code. I will act honorably, responsibly, and with academic integrity and honesty. I will be responsible for my own academic work and will neither give nor receive unauthorized or unacknowledged aid. I will behave courteously to all members of the MTC community and its guests and will respect college property and the property of others.
- The Student Code (Appendix I of the MTC Student Handbook) defines academic dishonesty, which includes, but is not limited to, cheating on tests, plagiarism, collusion, and falsification. Such actions will result in discipline.
- Cheating on tests includes:
  - Copying from another student’s paper.
  - Copying or presenting someone else’s work as your own.
  - Using unauthorized materials during a test.
  - Collaborating with any other person during a test without permission.
  - Knowingly obtaining, using, buying, or selling in whole or part the contents of any test.
  - Bribing any other person to obtain information about tests.
  - Substituting for another student, or permitting another student to substitute for you.
- Plagiarism is taking another person’s work and using it without giving the source credit in any graded assignment.
- The use of cell phones or other portable electronic devices for purposes of academic dishonesty in any form is strictly prohibited; students who violate this policy will be subject to the disciplinary procedures and sanctions outlined in the Student Code.
- For more information about academic dishonesty, see the Student Code.

Class Attendance and Participation:

Students are expected to attend all classes and are responsible for class work, homework, lecture notes, reading assignments, etc., whether or not they are present. In the event of extenuating circumstances (illness, etc.), students are allowed to miss no more than twice the number of meeting times per week (i.e.: classes meeting once a week are allowed TWO absences). These absences are cuts; there is no such thing as an excused absence. Absences will be counted beginning with the first day of class. On the first cut exceeding the limit, you will be subject to being withdrawn from the course in accordance with the Business and Public Service Department’s attendance policy.

Tardies: Students are encouraged to attend EVERY CLASS and are expected to arrive ON TIME. It is inconsiderate to classmates and disruptive to the class to arrive late. If students arrive after the instructor has taken roll, it is the STUDENT’s responsibility to see the instructor after class ON THAT DAY and see that the absence is changed to a tardy. Students are expected to be in their seats ready to start class at the beginning of the class. Leaving during class should only be in case of an emergency. If students know they must leave early, they must let the instructor know ahead of time. If students enter class more than fifteen minutes late OR if students leave class more than fifteen minutes early, they are counted absent. Three tardies count as one absence.

Withdrawal: Should the maximum allowable absences be exceeded prior to midterm, a "W" will be submitted to the registrar to be recorded on the student's transcript. Should the maximum allowable absences be exceeded after midterm, a "W" will be submitted to the registrar if the student was passing the course at the time of withdrawal OR a "WF" will be submitted if the student was failing the course at the time of withdrawal.

Classroom Conduct and Preparation: All students in each Early Childhood Development class will be treated and respected as a professional adult; in return, students will also be expected to treat and respect the instructor and classmates as professional adults. Because of the nature of discussions involved in this class, it is important that we respect each other’s experiences, opinions and
values. **Disruptive behavior is un-professional, and will not be tolerated**, and any student whose un-professional behavior disrupts the learning environment of this class will be dismissed from this class and counted absent. The student must meet with the instructor during office hours before the next class meeting to discuss the conditions under which the student will be allowed to return to class. Students are expected to BE PREPARED FOR and PARTICIPATE in every class meeting. Students are expected to have all assignments completed by the due date.

**Make Up Assessment and Presentation Policy:** Students are required to be present for all scheduled assessments and presentations. No student is automatically entitled to a makeup assessment or presentation! Makeup assessments and presentations will only be provided in an exceptional case where the student is able to provide clear and convincing evidence of a serious illness or emergency that absolutely precludes attendance. The decision to allow a makeup assessment or presentation is at the sole discretion of the instructor. It is your responsibility to discuss and schedule this with the instructor. Any student found cheating on an assessment will be given a “0” for that assessment.

**Portable Electronic Devices:**

Cell phones and other portable electronic devices may be used in classrooms only for maintaining access to MTC Alerts!, the college’s emergency notification system. Other uses of portable electronic devices (for example, leaving class to make or receive phone calls, sending or reading text messages, accessing the internet, taking pictures or videos, listening to music, etc.) will be considered disruptive activities, and the student will be subject to disciplinary action.

**Student Email Accounts (MyMTC Email):**

- All MTC students are assigned a college email account called MyMTC Email. For access, follow the link on the Enrolled Students page or go to http://www.midlandstech.edu/myemail.
- MyMTC Email is the primary way the college communicates with students. You are responsible for checking your college email regularly for important information and announcements about registration, financial aid, cancelled classes, emergencies, etc.
- Students can use their college email accounts to communicate with faculty, staff, fellow students, and others, as well as to maintain personal calendars and task lists.
- In addition to using MyMTC Email, students may also be required to communicate with instructors through Desire 2 Learn (D2L, the college-wide learning management system), or through course-specific software, such as MyMathLab.

**MyMTC:**

The college conducts business with students through MyMTC, which provides many services and resources, including access to transcripts, grades, and program evaluations; information about financial aid status; and how to search and register for courses. To access MyMTC, follow the link on the Enrolled Students page or go to http://mymtc.midlandstech.edu.

**Children on Campus:**

Children are generally not permitted on campus except for special events. Children are not permitted in classes, labs, or advisors’ offices. Children can never be left unattended on campus, including in the library, the Academic Success Center, or parking lots.

**Inclement Weather Policy:**

- If weather conditions or other emergencies cause the college to close or open late, announcements will be made over local radio and TV stations, on the MTC website, and on the college’s information line (803-738-8324).
- Notices will be sent to students via MyMTC Email and MTC Alerts! when applicable.
- Check for separate announcements for day and evening classes because weather conditions can change during the day.
- Inclement weather schedules: In standard non-lab and non-clinical classes, if the college closing or reopening means that there is at least 30 minutes of a class remaining, plan to attend that class. For example, if the college opens at 10 a.m., classes that normally meet at 8 a.m. will not meet, but classes that normally begin at 9:35 a.m. will begin at 10 a.m. Similarly, if the college closes at 8 p.m., 6 p.m. classes will meet for their regular time, but 7:35 p.m. classes will not meet.
- Check your syllabus for specific information about the inclement weather policy for that course.

**Campus Emergency Protocol:**

- To report safety concerns or suspicious activities, call Campus Security at 7850 (on campus) or 738-7850 (cell phone or off campus).
- To report a security emergency, call Campus Security at 738-7199 or dial local 911 immediately.
- The college also provides emergency call boxes; look for these red call boxes in or near parking lots on all campuses.
If a college-wide emergency occurs, the college will communicate additional information and instructions in a number of ways, including the MTC Information Centers, campus loud speakers, MyMTC Email, the MTC website, and MTC Alerts! To sign up for MTC Alerts! and receive emergency notifications on your cell phone, go to: http://www.midlandstech.edu/Phone_Alert.htm.

Student Evaluation of Instruction:

Toward the end of the semester, students will be encouraged to participate in evaluating their courses. You can complete this confidential evaluation through MyMTC using your username and password. Announcements will be made during the term concerning how and when to complete the online evaluation.

Students Requiring Special Accommodations:

- If a student with a disability requires special accommodations, the student should go to Counseling Services in the Student Center on Beltline or Airport Campus for assistance. Documentation regarding a specific disability is required in order for special arrangements to be made. All information received will remain confidential.
- For more information, follow the Disability Resource Centers link under Online Resources on the Enrolled Students page.

Work Left at the End of the Semester: Students will have two months after the end of each semester to pick up any work left from the previous semester. Students may pick up this work from the ECD Office. Please call Sandra Hackley at 822-3768 to make arrangements to pick up work.

Dress Code: All students are encouraged to dress in a manner that supports the college policy on campus environment. In the interest of health and safety, shoes that cover the length of the foot and shirts that cover the chest are required of all students. All Early Childhood Development students are required to dress appropriately to work with young children, both in the classroom and at lab sites. Ask your lab site contact person for specific dress codes for that site. Generally, all clothes should be appropriate for a professional environment and be able to accommodate bending and stretching.

Transferability of Course: This course may not be transferable to certain four-year colleges. Students contemplating transferring to other colleges are encouraged to contact their college of interest to determine whether this course will be transferable. Students may also check the ECD website at www.midlandstech.edu/ecd to view program plans for transferring to four year colleges in this area.

DSS Hours: If students are working in a child care program, they will need to print their transcript at the end of each semester and send their grades to the Center for Child Care Career Development (CCCCD). The CCCCD will translate the ECD classes into DSS hours. For more information, go to http://www.sc-ccccdd.net/College_Courses.htm. (Approved July 12, 2011)

COURSE ASSIGNMENTS:

Module One—The Early Childhood Professional

Assignments:
1. Bring a 3-inch binder/notebook to begin a Professional Development Notebook. Label the notebook with your name and ECD 101. Create a cover for your Professional Development Notebook that tells something about you and your career goals. Include any certificates verifying early childhood training that you have completed.
2. Place the handout packet in your Professional Development Notebook.
3. Place tabs or dividers to separate the notebook into the 15 different modules, Supporting Documents, and Journaling
4. Bring your Professional Development Notebook to class each week.
5. Complete the Self-Reflection activity as the first Journaling activity (on power point slide 6).

Module Two—Safety

Assignments:
1. Highlight the topics of the safety regulations for child care centers in section 114-507, Physical Space, in the DSS Child Care Regulations. (For example: Ventilation, Lighting)
Module Three—Health and Nutrition

Assignments:
1. Select a Health condition or Health issue to research using the Internet and Module 3/Handouts 11a-b. Bring an article on the health condition/issue and be prepared to share with class.
2. Study Modules 1-3 for quiz.

Module Four—Physical Development

Assignments:
1. Refer to the S. C. Infant & Toddler Guidelines and the Good Start Grow Smart S. C. E. L. Standards provided in the Supporting Documents section. Cut out an age-appropriate fine motor and gross motor activity manipulative for each age group listed, and glue them on construction paper. Write the age and appropriate guideline/standard next to/under each of the six manipulatives you have cut out.
   - Birth to 8 months (pg. 31-32)
   - 3 or 4 years (pg. 119-121)
   - 5 years (pg. 119-121)
2. Fill out the “What Are My Learning Strengths?” worksheet, Module 4/Homework Assignment. (optional/can be done as an in-class activity instead)

Module Five—Cognitive Development

Assignments:
1. Complete the homework questions at the bottom of Module 5/Handouts 3a-c.
2. Journal Entry: What should cognitive learning look like in early childhood programs?

Module Six—Language Development

Assignments:
   (optional/can be done as an in-class activity instead)
2. Study Modules 4 - 6 for Quiz.
3. Interview for Literacy. Interview 3 people (choose one from each age group: Under 20, 20-40 and over 50). Ask them to describe their memory of how they learned to read. Record words they used to describe their memory and bring to next class.

Module Seven—Emergent Literacy

Assignments:
1. Homework Assignment
   Locate Module 7/Handouts 9a-b. Read the article in Handouts 9a-b then write a paragraph stating what you learned about literacy practices as well as one thing you would like to implement when you have your own classroom.
2. Journal Entry
   Write a paragraph describing what you learned about the words ENVIRONMENTS, EXPERIENCES, and INTERACTIONS as they relate to literacy.

Module Eight—Social and Emotional Development

Assignments:
Journaling Activity—Write the word “discipline” at the top of your page. Jot down 8-10 personal thoughts on your beliefs about discipline. These can be anything that you think or believe or do that has to do with discipline. There are no right or wrong answers. This assignment is simply for you to get in touch with your personal beliefs about discipline. For this assignment, it’s more important to write what you really believe than write what you think the instructor will like or someone else will like.
Module Nine—Foundations of Guidance

Assignments:
1. Practice using positive verbal and non-verbal communication. Practice positive statements that tell children what TO DO rather than what NOT to do. Record 10 and bring the sheet to class. If you are not around children, practice with adults.

Module Ten—Guiding Children

Assignments:
1. No homework. 😊
2. Complete Module 10/Homework Assignment. This assignment is due at the Module 12 session. (optional/can be done as an in-class brainstorming activity instead)
3. Study Modules 7-10 for quiz.

Module Eleven—Diversity

Assignments:
1. Bring in food to share with the class from an ethnic group that is different from your own. Share a little about the culture of this ethnic group.

Module Twelve—The Learning Environment

Assignments:
1. Review the supporting document titled Developmentally Appropriate Practice developed by NAEYC. Write a paragraph that summarizes the document. Make sure the summary explains NAEYC’s position on:
   o What is developmentally appropriate practice?
   o Comprehensive effective curriculum.
   o Improving teaching and learning.

Module Thirteen—Curriculum

Assignments:
1. Refer to the S. C. Infant & Toddler Guidelines and the Good Start Grow Smart S. C. E. L. Standards provided in the Supporting Documents section. Create a Prop Box by filling a box with at least 6 age-appropriate manipulatives. Include a paper listing the age and appropriate guideline/standard for each of the six manipulatives you have included in your Prop Box. You will choose which section of the guidelines/standards will be most appropriate for the manipulatives you are including in your Prop Box. Choose one age group:
   - Birth to 8 months, 6-18 months, or 16-36 months
   - 3, 4 or 5 years
2. Journal Entry: Use information you learned about Curriculum Models to write a paragraph exploring which model you would like to implement. Give reasons for your choice.

Module Fourteen—Children with Differing Needs

Assignments:
1. Using the Module 14/Homework Assignment handout, write in the name of three (3) resources for each circle of the target—People I Know, Local, State, and National Resources. People I Know could be professionals or other resources that may direct you to appropriate resources. This is a good time to start an electronic file for resources.
   Examples: Elaine—nurse; Jane—special education teacher
2. Journal Entry: Describe your initial reaction to thinking about children with different abilities. Record three action steps you identified in the Closing Session, in your journal.

Module Fifteen—The Family

No homework

PLEASE NOTE: Should change become necessary, the instructor reserves the right to adjust the requirements, pace, or scheduling of this course. Any change will be announced in class before it becomes effective.

*Note: Please keep all assignments for your final portfolio for ECD 243.*
CREDENTIAL and BONUS REQUIREMENTS:

Effective January 2001, each student successfully completing ECD 101 with a grade of “C” or higher will be eligible for a South Carolina Early Childhood Credential issued by the South Carolina Center for Child Care Career Development. Students who are awarded the South Carolina Early Childhood Credential may be eligible for a Smart Money Bonus funded by the South Carolina Department of Social Services (as funds are available) if they meet the following eligibility requirements:

- Be at least 18 years of age or older and a South Carolina resident
- Have successfully completed ECD 101 at a state technical/community college
- Work in a licensed child care program in South Carolina

Students who have completed the ABC Child Care Credential through continuing education and received a bonus will not be eligible for an additional bonus. However, they will receive the South Carolina Early Childhood Credential.

Forms and information are available on website: www.sc-ccccd.net

Note:

Students completing the course with a grade of less than a “C” can be awarded a Certificate of Attendance from the Center for Child Care Career Development if they have participated in at least 90% of the classes as documented by the instructor.

What I hope to learn from this class:

_____________________________________________________________________

_____________________________________________________________________

_____________________________________________________________________

What the instructor needs to know to help me be successful in this class:

_____________________________________________________________________

_____________________________________________________________________

_____________________________________________________________________

I, ________________________________, have received the course syllabus from my instructor. The
syllabus has been explained to me, and I have had my questions answered by the instructor. I understand
that it is my responsibility to keep the syllabus in my possession for future reference. I will take the
initiative and maintain the necessary degree of persistence to have any future questions answered by the
instructor. I understand that additional help may be obtained from the instructor during posted office
hours or by appointment, but that it is my responsibility to seek such help. I further understand that
support services will be provided upon my request and upon appropriate application to student services. I
understand the potential for both passing and failing the course, and that I must obtain a cumulative grade
of at least “C” to successfully complete the course.

In addition, I understand the attendance requirements set forth by the SC First Steps. I acknowledge that
to obtain the South Carolina Early Childhood Credential and Smart Money salary bonus, I must comply
with the college attendance policies.

I agree to adhere to all course, departments, and Technical College policies as referenced in the
accompanying syllabus. I have had ample time to review this information.
